

## **Dr. Steven BOGGS**

[steven.boggs@ieee.org](mailto:steven.boggs@ieee.org)

Professor Boggs is an internationally recognized expert/researcher in the field of electric discharge phenomenon in solid materials and its analysis based on finite element methods. He is currently Director, Electrical Insulation Research Center & Research Professor of Electrical Engineering, Physics, and Materials Science University of Connecticut, November.

Elected a Fellow of the IEEE in 1992 for his contributions to GIS technology, Dr. Boggs received his Ph.D. and MBA degrees from the University of Toronto. He is an experience consultant for industry, holds three U.S. patents, and is the author of over 100 technical publications.
