

**The Celestica Story:  
The creation of something  
special & unexpected**

**Speaker: Eugene Polistuk**  
**Skule Grad, Founder & CEO, Celestica**

**Tuesday, March 22, 5:10 p.m.**  
**Location: SF 1105**

As the founder of Celestica, Mr. Polistuk will discuss the dynamics of being an entrepreneur in a large corporation, with particular reference to the conceptualizing, formation, development and expansion of Celestica, from an 800 person IBM plant in Toronto to a global entity of 40,000 across 18 countries. Many of the issues he will discuss are the same as those faced by small entrepreneurs.
