December 2013

Exam Period: The fall final exam period runs from December 6th to 20th, 2013. Make sure that you check the exam schedule carefully to ensure that you have the correct dates and times for your exams. For more information regarding exams:
http://www.undergrad.engineering.utoronto.ca/Office_of_the_Registrar/Examinations.htm

Important December and January Dates for Winter 2014
Monday, December 23rd, 2013 to January 5th, 2014: Winter Holidays (University closed)
Monday, January 6th, 2014: First day of A&S classes
Monday, January 6th, 2014: First Day of Engineering classes

Information about Deferred Exam Periods: If you are granted a deferred examination as a result of petitioning a final examination, it will take place in February for Fall exams and June for Winter exams. Any student petitioning a final examination is expected to be available between 9:30 a.m. and 9:30 p.m. any weekday during the months given above. Travel plans should be made to accommodate this schedule. Every effort will be made to give students three (3) weeks’ notice as to the exact time and location for their deferred exam, should one be assigned. For more information about petitions:
http://www.undergrad.engineering.utoronto.ca/Office_of_the_Registrar/Petitions.htm

Magellan and Course Information Sessions: This information session will provide you with important information about our in-house course selection tool: Magellan. You are required to use this software for planning upper year course selections, course preregistration, and ensuring you meet graduation requirements. Make sure that you attend this session so you don’t miss out on the important information.

The session will be held on Tuesday, January 7th, 2014 from 11am – 12pm in MC 102. Please feel free to bring your own lunch to this session.

Area-specific course information sessions will be held the week of January 6th, 2014. The schedule is listed below by date. It is in your best interest to attend some of these sessions so you can learn more about the different areas of studies. Come prepared with questions!

- Tuesday, January 7th from 12-1pm in WB 116 – Area 5 (Computer Hardware & Computer Networks)
- Wednesday, January 8th from 12-1pm in BA 1130 - Area 1 (Photonics & Semiconductor Physics) + Biomedical Engineering
- Thursday, January 9th from 12-1pm in BA 1160 – Area 6 (Software)
- Thursday, January 9th from 3-4pm in T2 6 – Area 2 (Electromagnetics & Energy Systems)
- Friday, January 10th from 12-1pm in MC 102 – Area 4 (Control, Communications & Signal Processing)
- Friday, January 10th from 2-3pm in WB 116 – Area 3 (Analog & Digital Electronics)

Practical Experience Requirement: Don’t forget to submit your 600 hours forms as soon as they have been completed! The forms can be found online at http://www.ece.utoronto.ca/ug-600-hours. Make sure that you include a business card!

Academic Success
Bookmark the Academic Success Centre’s Handouts page for useful info on exam preparation, coping with stress & exam anxiety, time management skills, etc. http://www.asc.utoronto.ca/Handouts.htm

Open House: Our recent ECE Undergraduate Office renovations are now complete. We would like to invite you to our Open House on November 28, 2013. Please drop in anytime between 11 am until 2 pm for some light refreshments.

Good luck on your exams!
