**USEFUL WEBPAGES**

- **Course Timetables (Engineering):** [http://uoft.me/timetable](http://uoft.me/timetable) (Students are strongly advised to check the schedule regularly for changes during the first two weeks of classes)

**VOLUNTEERS NEEDED FOR STUDENT-STAFF COMMITTEE**

Have something to say about your academic experience? Have ideas on how to improve the student academic experience? If you answered “yes” to either of these questions, join the Student-Staff Committee to voice your ideas. If interested, please send us an email at [askece@ecf.utoronto.ca](mailto:askece@ecf.utoronto.ca). Meeting dates to be confirmed.

**MAGELLAN**

Magellan Link: [https://magellan.ece.toronto.edu/](https://magellan.ece.toronto.edu/) Log in with your utorid and password.

Please remember to update your Magellan profile whenever you make changes to your timetable on ROSI because Magellan and ROSI are two separate systems. Any course changes made (including electives) should be checked in Magellan first to ensure that both CEAB and ECE Program requirements are met. This is especially important for students entering fourth year. Your Magellan profile must accurately reflect all the upper year courses you are planning to take.
**COURSE HOARDING**
The normal recommended course load is five courses per term. As soon as you decide you are not going to take a particular course, please drop it. This allows your fellow students the opportunity to register in the course.

**PRACTICAL EXPERIENCE REQUIREMENT**
Have you completed some or all of your 600 hours? If so, make sure you complete and submit to us the ‘Practical Experience Requirement’ form. It can be found [here](#).

**QUESTIONS/CONCERNS?**
Come by the Undergraduate Office in SFB600A and we will gladly help you out or you can send us an email at askece@ecf.utoronto.ca. Please include your **full name** and **student number** when sending emails to us.

**ECE SUGGESTION BOX:**
If you have any comments or concerns, please drop them off into our Suggestion Box located in the basement of the Sandford Fleming Building *(near the assignment drop off boxes)*.
