Office Drop-In Hours: Monday to Friday 8:45am – 4:30 pm • Sandford Fleming Bldg, Basement Room 600 • Email: askece@ecf.utoronto.ca. Make sure to include your full name and student number when sending emails.

If you are currently taking any evening CS or HSS course(s) while on PEY, please take note of dates below:

Monday November 3, 2014: Last day for students to drop F Session courses without academic penalty including Fall session courses taken in the Faculty of Arts and Science
Tuesday, December 2, 2014: Last day of Arts & Science classes; Last day to apply for a late withdrawal (LWD) from A&S HSS/CS/Free Elective courses
December 8 to 19, 2014: F Session Arts & Science examinations

Remember to refer to the sessional dates section of the 2014-2015 Academic Calendar for ALL important dates/deadlines.

MAGELLAN
Keeping an up-to-date profile helps guide you to ensure that you are on track to graduate!! All courses have different AU values. Any course change(s) you make, even if swapping one course for another, may impact your ability to graduate! You should routinely ensure that your Main Magellan profile is always accurate with the courses you are currently taking to ensure you are not short AUs or missing program requirements.

IMPORTANT! Pre-registration deadline for 2015-2016 ECE courses:
Monday, February 2, 2015 at 11:59 pm

**After the pre-registration deadline, you will not be able to access your Main Profile on Magellan (which is the profile we use) to make any changes to your Main Profile. Only ECE courses on valid Main Profiles will be considered for pre-registration. Unsure if your Main Profile is valid for uploading? See below for reasons why a profile would not be uploaded to ROSI:

Reasons a profile won’t be uploaded to ROSI:

1. You have not set up a complete profile (ie. have only selected 3rd year courses)
2. You have selected courses you don’t have the prerequisites for.
3. You have selected courses that are exclusion to each other.
4. You have selected more than 5 courses in a term. (4 engineering courses and 1 CS/HSS). You can only select more courses if you are recovering a failed course as well.
5. You have not met program requirements.
6. You have not met CEAB requirements.
7. You have not set up a profile that will allow you to graduate.
Helpful hints when entering course codes:

- **How to enter course codes:** Must be in upper case. For example – ECE243H1 S (three letters, three numbers, either H1 or Y1 (unless this course is taught at UTM (H5, Y5) or UTSC (H3 or Y3). If the course code is not entered correctly or Magellan does not recognize the course, then the title of the course will not appear under the course code on your profile.

- **Arts and Science courses.** Courses are either H courses – half year (ie. SOC102H1 F or S) or Y courses - full year (ie. ANT100Y1 Y). Full year courses do not get a grade in the fall term but are double weighted in the winter term. H courses may be offered in either the fall or the spring. Y courses start only in the fall term and must be entered this way on Magellan. H courses are equal to 1 CS or HSS and Y courses are equal to 2.

- **ECE496Y and APS490Y** are capstone courses. In order to be eligible for either of these courses, you must have taken 6 technical electives plus ECE472 or you have taken 7 technical electives. Kernel and depth courses are considered technical electives.

**COURSE CHANGES**

- ECE568H1 will be offered in both terms in 2015-2016
- ECE451H1 will **not** be offered in 2015-2016
- EEB214H1 / MSE235H1 / PHY395H1 will no longer be part of the Science/Math area. These courses can only be taken as a free elective.
