February 16th
Last day to drop Y (full year) courses.

February 17 – 20th
Reading Week

February 28th
Examination timetable for S and Y Session courses posted (tentative)

COURSE CHANGES:
ECE516H1 S – Lecture time has changed. Please double-check the room allocation for all your classes as additional rooms and or times may have changed since September. Revised info can be found on the winter timetable on the Registrar’s office website.

MAGELLAN:
Pre-registration and Locked Profiles: For those entering their third and fourth years of study in 2015 – 2016, your main profile on Magellan is available now until February 2, 2015. Starting February 3rd, you will not be able to make any changes to your main profile.

Please note:

- Only a valid Main Profile will be uploaded to ROSI. Once locked, it cannot be changed.
- You will be able to log in to Magellan to set up other study plan profiles until ROSI opens in July.

The courses you select are not locked in forever. You can make changes to your course selection when ROSI opens (space permitting as any changes would not have been included in pre-registration numbers). Remember to test out any possible changes on Magellan first to see if you still meet program and CEAB requirements.

Please review additional preregistration and uploading info that was listed in your November newsletter (‘Reasons a profile won’t be uploaded to ROSI’)

LAB RULES AND REGULATIONS
Students should be very familiar with the lab rules and regulations so that they will not be surprised if their account gets locked. Please also refer to the email that is sent out at the beginning of term from the ECF office with regards to rules and regulations.
LIST OF APPROVED CS/HSS COURSES:
The list of approved CS/HSS courses is available on the Faculty Registrar’s website. Please refer to it prior to selecting any A&S courses. Click here for the approved listing.

Want to take a course that is not on the list? Click here to propose a course for HSS/CS Approval. This does not guarantee that your proposed course will become approved as HSS/CS program requirements.

SHORT CS AUS?
The ECE website has a list of courses that has more than the standard 29.4 AUs. Click here for the listing (scroll to the bottom of the page).

PRACTICAL EXPERIENCE REQUIREMENT: Don’t forget to submit your 600 hours forms as soon as they have been completed! Further info and forms can be found online here.

ATTENTION ALL 4TH YEAR STUDENTS: To ensure placement in the March 2015 Iron Ring Ceremony and June 2015 Convocation, please submit your 600 hours forms ASAP. The absolute deadline to have your hours approved and still be eligible for the Iron Ring Ceremony is during the first week of January 2015. Please note however, that it typically takes 2-4 weeks to process hours. Forms submitted this late in the academic year cannot be guaranteed to be approved in time for Iron Ring deadlines.

GRADUATION CHECKS:
Attention all 4th year students: If you have not yet done so, please come into the Undergraduate Office (SF B600A) immediately to confirm that you are on track to graduate! The Undergraduate Office uses your Magellan profiles to verify your ability to graduate. You must ensure that your main profile is valid and up-to-date before seeking a graduation check.

ARTS & SCIENCE SUMMER 2015 TIMETABLE (preliminary)
The preliminary Arts & Science Summer 2015 Timetable is available here. Keep checking the A&S website for any additional updates.

SPECIAL ANNOUNCEMENTS
Skule Arts Festival Call for Submissions! Skule Arts Festival 2015 is in under a month and they are accepting submissions!
