ROOM CHANGES:
Please double-check the room allocation for your classes as some of the rooms may have changed since September. Revised info can be found on the winter timetable on the Registrar’s office website.

MAGELLAN
Pre-registration and Locked Profiles: Your Main profile on Magellan is available now until February 2, 2015 at 11:59pm. Starting February 3, 2015, you will not be able to make any changes to your main profile. However, you will be able to log in to Magellan to set up other study plan profiles until ROSI opens in July.

Points to Remember!
• Only your valid Main Profile will be uploaded to ROSI. Once locked, it cannot be changed.
• The courses you select for your upper years are not locked in forever. You will be able to log in to Magellan to set up other study plan profiles. You can make changes to your course selection when ROSI opens (space permitting as any changes would not have been included in pre-registration numbers). Remember to test out any possible changes on Magellan first to see if you still meet program and CEAB requirements.
• Important preregistration and Magellan uploading info is available in your November newsletter – see ‘Reasons a profile won’t be uploaded to ROSI’.

LAB RULES AND REGULATIONS
Students should be very familiar with the lab rules and regulations so that they will not be surprised if their account gets locked. Please also refer to the email that is sent out at the beginning of term from the ECF office with regards to rules and regulations.

LIST OF APPROVED CS/HSS COURSES:
The list of approved CS/HSS courses is available on the Faculty Registrar’s website. Please refer to it prior to selecting any A&S courses. Click here for the approved listing.

Want to take a course that is not on the list? Click here to propose a course for HSS/CS Approval. This does not guarantee that your proposed course will become approved as HSS/CS program requirements.
SHOULD CS AUS?
The ECE website has a list of courses that has more than the standard 29.4 AUs. Click here for the listing (scroll to the bottom of the page).

PRACTICAL EXPERIENCE REQUIREMENT
Students are required to have completed a total of 600 hours of acceptable practical experience before graduation (normally during their summer vacation periods). Don’t forget to submit your 600 hours forms as soon as they have been completed! Information on what to include as well as a form-fillable form can be found online here. Students who do not hand in the 600 hours to the ECE UG office in time will not be eligible for the Iron Ring Ceremony and graduation. See below for deadlines to submit:

- **Iron Ring Eligibility**: 600 hours must be in and approved by the 1st week of January of the graduating year
- **Graduation**: 600 hours must be in and approved by May 1st of graduating year.

ARTS & SCIENCE SUMMER 2015 TIMETABLE (preliminary)
The preliminary Arts & Science Summer 2015 Timetable is available here. Keep checking the A&S website for any additional updates.

SPECIAL ANNOUNCEMENTS

**Skule Arts Festival Call for Submissions!** Skule Arts Festival 2015 is in under a month and they are accepting submissions!
