ARTS & SCIENCE EXAM PERIOD:
The final exam period runs from December 11 to 22, 2015. Some exams occur on Saturdays and evenings. It is your responsibility to check the exam timetable carefully for date, time and location information to ensure that you do not miss writing your final examination. Click on http://www.artsci.utoronto.ca/current/exams for more exam info including:

- Schedules
- Locations
- Rules for the Conduct of Examinations

ACADEMIC SUCCESS:
The Academic Success Centre’s team helps you to develop the skills, strategies and competencies that you need to succeed. Students are encouraged to use their space and services. Click here for useful info on exam preparation, coping with stress & exam anxiety, time management skills, etc. Visit their website for additional resources and services.

ECE496 INFO SESSION
A key part of your final year will be the capstone design project. While it officially begins in September 2016, the actual preparation begins much earlier, starting with the Design Project Info Session:

DATE: Thursday, January 14th, 2016
TIME: 7:00pm - 8:00pm
PLACE: MC102

This session covers the important steps to prepare for your design project:

- Understanding your course options: ECE496, APS490, and BME498
- Important deadlines from now until September
- Forming a team, finding and registering for a project
- Gathering ideas and the 2016 Design Fair (Mar 29-Apr 1)
- Tips on how to get started early

Presentation slides will be posted for students who are away on PEY, but coming out and attending is the best way to finding potential team members. If you have any questions, please contact ask496@eecg.utoronto.ca

QUESTIONS?
E-mail askece@ecf.utoronto.ca or drop by the Undergraduate Office (SFB600) for assistance.
