**MAGELLAN COURSE PRE-REGISTRATION DEADLINE:**

Course pre-registration deadline: **February 1, 2017 (11:59 PM)**. 

*Main profiles will then be LOCKED until mid July for preregistration planning.*

Any changes made to main profiles once unlocked in July will **not** be included in any preregistration planning. Therefore, revisions will not be uploaded to timetables. **Important pre-registration and Magellan uploading info has previously been made available via the:**

- [November/December 2016 2nd Year Newsletter](#)
- [ECE Undergraduate Website (Magellan)](#)

The courses you select for your upper years are **not locked in forever**. You will be able to log in to Magellan to set up other study plan profiles. You can make changes to your course selection when ACORN opens (**space permitting as any changes would not have been included in preregistration numbers**). Remember to test out any possible changes on Magellan first to see if you still meet program and CEAB requirements.

**ROOM CHANGES:** Please double check the room allocation for your classes as some of the rooms may have changed since September. Accurate info will be on your online ACORN timetable.

**LAB RULES & REGULATIONS:** Students should be very familiar with the [lab rules and regulations](#) so that they will not be surprised if their account gets locked. Please also refer to the email that is sent out at the beginning of term from the ECF office with regards to rules and regulations.

**LIST OF APPROVED CS/HSS ELECTIVES:** The list of approved complementary studies (CS) / Humanities & Social Science (HSS) electives is available on the Faculty Registrar’s website. Please refer to it prior to selecting any A&S courses. Click [here](#) for the approved listing.
SHORT CS AUs?: The ECE website has a list of courses that has more than the standard 30 AUs. Click here for the listing (scroll to the bottom of the page).

PRACTICAL EXPERIENCE REQUIREMENT: Students are required to have completed a total of 600 hours of acceptable practical experience as part of their ECE program requirements (normally during their summer vacation periods). Don’t forget to submit your 600 hours forms as soon as they have been completed! Information on what to include as well as a form-fillable form can be found online here.
