MAGELLAN COURSE PRE-REGISTRATION: Pre-registration ended February 1st.

Main profiles are now LOCKED until July. During this time, you will not be able to revise your **main profile** (which is the profile we use). Alternate profiles can be created for testing purposes. **ECE courses** on **valid main profiles** will be considered for pre-registration. Click [here](#) for information sent out regarding valid / invalid profiles. Main profiles will then be unlocked in July.

****Any changes you make to main profiles after they are unlocked, will not be uploaded as they will not include pre-registered information****

- **The courses you select now are not locked in forever.** You can make changes to your course selection when registration opens on ACORN (space permitting as any changes would not have been included in pre-registration numbers). Remember to test out any possible changes on Magellan first to see if you still meet program and CEAB requirements.
- **Conflicts are unavoidable with a flexible curriculum.** Magellan will not guarantee a conflict-free schedule.

PRACTICAL EXPERIENCE YEAR: Your PEY Final Report is due at the end of your internship. Please refer to the [PEY website](#) for information on what should be included on your final report as well as how it should be submitted. Students who do not submit a final report to the PEY office will **not** receive Credit for PEY on their transcript.

EXAM SCHEDULE: The [winter 2017 session exam schedule](#) will be available on the Registrar's website.

Important: It is your responsibility to check the exam timetable carefully for date, time and location to ensure that you do not miss the opportunity to write your final exams. **This information is subject to change.** Please review the schedule often for changes. Additionally, you should be familiar with the Faculty's academic regulations on final exams, which are located in the [Academic Calendar](#).
