PART-TIME VS. FULL-TIME STUDIES:
Dropping one course is NOT permissible in 2nd year. Second year students can either be full time with 5 courses OR transfer to part time with a maximum of 3 courses per session.

If thinking of transferring to part time:

1. You must finish your 2nd year studies on a part-time basis before advancing to your next academic year. This means that you cannot take any upper year technical courses until all your core 2nd year courses have been completed.
2. You can enrol in a maximum of three half-credit courses per year. It will take two calendar years to complete a respective year.
3. Come into the ECE Undergraduate Office to discuss and see if there are any implications. Transferring to part-time will then need to be officially requested via the Registrar’s Office.

ACADEMIC SUCCESS: The Academic Success Centre’s team helps you to develop the skills, strategies and competencies that you need to succeed. Students are encouraged to use their space and services. LIST OF APPROVED CS/HSS COURSES: **It is your responsibility to ensure that the A&S courses you take are acceptable to use as CS/HSS electives to meet graduation requirements. ** For the most up to date list, please visit the registrar’s website here. Please refer to it prior to selecting any A&S courses. If you are interested in taking a course that is not listed, you can submit your request through the Registrar’s website link here. (Note: Requests are NOT all approved.)
MAGELLAN PRE-REGISTRATION DEADLINE:
Thursday, February 1, 2018

Main profiles will then be LOCKED until July 2018 for pre-registration planning:
Students with VALID “Main” Magellan profiles courses will have their ECE courses uploaded to ACORN timetables.

Unsure if your Main Profile is valid for uploading? See information below.

How to create a VALID profile for uploading to ACORN:
1. Create a complete profile. This includes a study plan of the required 20 upper year courses for 3rd & 4th year.
2. Ensure you have taken any required course prerequisites in advance. You should not have any prerequisite errors appearing on your profile!
3. Courses that are ‘exclusions’ are not valid and should not be listed.
4. Select only 5 courses per term.
   - The recommended courses per term would be 4 engineering + 1 CS/HSS. This is to balance your workload as well as minimize timetable conflicts. If you have already taken a CS/HSS course in the summer, you would be able to list 5 engineering courses in term. Do not create a study plan where you ‘might’ be taking a CS/HSS course in the summer as this only inflates your AUs making your graduation eligibility inaccurate.
5. Your profile must reflect that you will be meeting Graduation Eligibility Requirements, mainly Program and CEAB requirements. We do not expect that your 600 hours requirement would already be fulfilled. We understand that you will eventually be meeting your Practical Experience Requirement (PER) as you build your hours by handing in your PER form(s) or by receiving PEY Credit:
   - You have fulfilled all Program Requirements
   - You have fulfilled all CEAB requirements
6. Set up a profile that shows you are eligible to graduate!

Graduation Eligibility
Based on the courses listed on this profile and the successful completion of these courses, you are eligible to graduate.

Main Profiles will then be UNLOCKED in JULY 2018.
Changes you make to main profiles after they become unlocked are NOT included in the preregistration process and thus NOT uploaded to ACORN.

MAGELLAN DOES NOT GUARANTEE CONFLICT-FREE SCHEDULES.
Timetable conflicts are unavoidable with a flexible curriculum.

PRACTICAL EXPERIENCE REQUIREMENT: Have you completed some or all of your 600 hours of practical work experience? If so, make sure you complete and submit the “Practical Experience Requirement” (600 Hours) form. Click here for more information and to download the form. Your supervisor’s business card must be included.
