PEY EVALUATIONS & REPORTS: Students on PEY are required to submit two evaluations and a final report:

- The PEY Midterm Evaluation is to be completed approximately 4 months after beginning your internship.
- The PEY Final Evaluation and PEY Final Internship Report are to be completed at the end of the internship.

Students who do not hand in a final PEY report will not receive Credit for PEY on their transcript. Do not wait until the last session of your 4th year to submit your report. They must be submitted upon your return from PEY (September) as it takes a while for reports to be processed and approved for Credit! Refer to the PEY website for information on your evaluations and final report.

COURSE REGISTRATION: Students are considered ‘part time’ while registered in PEY. Those who wish to take courses are allowed to register for CS/HSS electives that are offered in the EVENING.

IMPORTANT: If you have courses listed on Magellan for 2018-19, YOU MUST REMEMBER TO SHIFT THEM TO THE NEXT ACADEMIC YEAR. The courses that appear in 2018-19 do not automatically get shifted to 2018-19. If you do not shift your courses, they will be overwritten with “PEY500Y1”. You can always revise your course selection prior to Magellan being locked for next year’s preregistration process. **Locking occurs every February to July for preregistration.**
