**PEY EVALUATIONS & REPORTS:** Students on PEY are required to submit two evaluations **and** a final report:

- The **PEY Midterm Evaluation** is to be completed approximately **4 months after beginning your internship**.
- The **PEY Final Evaluation and PEY Final Internship Report** are to be completed at the **end of the internship**.

Students who do not hand in a final PEY report will not receive Credit for PEY on their transcript. **They must be submitted upon your return from PEY (September) as it takes a while for reports to be processed and approved for Credit!** Refer to the [PEY website](#) for information on your evaluations and final report.

**COURSE REGISTRATION:** Students are considered 'part time' while registered in PEY. Those who wish to take courses are **allowed to register for CS/HSS electives that are offered in the EVENING**.

**IMPORTANT:** If you have courses listed on Magellan for 2020-2021, **YOU MUST REMEMBER TO SHIFT THEM TO THE NEXT ACADEMIC YEAR**. The courses that appear in 2020-21 **do not** automatically get shifted to 2020-21.

- If you do not shift your courses, they will be overwritten with "PEY500Y1". You can always revise your course selection prior to Magellan being locked for next year's preregistration process.

**\*\*Locking occurs every February to July for preregistration.\*\*** → Magellan Log-In [here](#) / Log in with your UTORid and password.
