

Practical Experience Form (PER)

Faculty of Applied Science and Engineering, University of Toronto

The University of Toronto respects your privacy. The information on this form is collected pursuant to section 2(14) of the University of Toronto Act, 1971. Please see the reverse side of this form for more information.

******PLEASE ATTACH A BUSINESS CARD FROM YOUR EMPLOYER TO THIS FORM******

Student Name
(SURNAME, First Name): _____ Student Number: _____ Tel: _____

Program (Check One): Chemical Civil Computer Electrical Engineering Science
 Industrial Materials Mechanical Mineral

Year Completed Before Employment Period (Check One): 0 1 2 3 4

Student's E-mail Address: _____ Date of Expected Graduation: _____

Name and Address of Employer:

Description of Work: Please indicate your job title and provide very detailed information about the nature of the work you performed. Feel free to use an additional sheet of paper if necessary. It is better to provide more information about your duties than not enough.

Date Employed From: _____ To: _____ Total Hours Worked: _____

Student's Signature: _____ Date: _____

Employer Information: I confirm that the information above is correct.

The student behaved in a professional manner: Yes No

If no, please provide explanation: _____

The student acted ethically and demonstrated individual accountability: Yes No

If no, please provide explanation: _____

Supervisor Signature: _____ Date: _____

Name of Supervisor: _____ Position: _____

Work Phone Number: _____ Email: _____

OFFICE USE ONLY

Number of Hours Approved: _____

Date: _____

Departmental Approval: _____

Please return this form to your Program Undergraduate Office

Practical Experience Form (PER)

Faculty of Applied Science and Engineering, University of Toronto

Information:

Every student must complete a minimum of 600 hours of practical work before graduation. The nature of the work should form an integral part of a student's education and career development. It therefore must contain a good measure of responsibility (e.g., management of programs, systems, equipment, personnel, or finances), sound judgment and effective communication, and be supportive of the professional career of the student after graduation. Work in many facets of industry, government or public service would be acceptable for this requirement.

This experience may be obtained at any time during the program or through the Professional Experience Year (PEY) Program, but work done before entering the Faculty may also meet the requirement. Participation in the PEY or the Engineering Summer Internship Program automatically satisfies the practical experience requirement, provided that students complete and submit the requisite reports.

Practical experience certificate forms may be obtained from the Registrar's web site and should be returned when completed and signed by the employer or supervisor. The satisfaction or non-satisfaction of this requirement for graduation will be indicated on the student's grade report for session 4H1 S as a grade of CR (Credit) or NCR (No Credit). Self-employment may be considered for PER, but please speak with your Academic Counsellor first before relying on this option.

The Professional Engineers of Ontario (PEO) may allow pre-graduation experience to count towards 12 months of the four year 'engineering experience' required for eligibility for the P.Eng. designation. For further information visit the PEO web site www.peo.on. Please note that the records required by the PEO are separate and distinct from the 600 hours practical experience required for completion of a degree program in the Faculty of Applied Science and Engineering.

Practical Experience Form:

Once completed, this form must be signed by you and your supervisor. Please attach your employer's business card to this form.

To claim hours for practical experience, you must complete the form and submit it to your program Undergraduate Office immediately upon completion of each work experience.

Student Signature: _____ **Date:** _____

****Fourth year students who have not completed this requirement will not be eligible to graduate****

The University of Toronto respects your privacy. Personal information that you provide to the University is collected pursuant to section 2(14) of the University of Toronto Act, 1971. It is collected for the purpose of administering admissions, registration, academic programs, university-related student activities, activities of student societies, safety, financial assistance and awards, graduation and university advancement, reporting to the government. The University is also required to report student-level enrolment-related data to the Ministry of Training, Colleges and Universities as a condition of its receipt of operating grant funding. The Ministry collects this enrolment data, which includes limited personal information such as Ontario Education Numbers, student characteristics and educational outcomes, in order to administer government postsecondary funding, policies and programs, including planning, evaluation and monitoring activities. At all times it will be protected in accordance with the Freedom of Information and Protection of Privacy Act. If you have questions, please refer to www.utoronto.ca/privacy or contact the University of Freedom of Information and Protection of Privacy Coordinator at McMurrich Building, Room 104, 12 Queen's Park Crescent West, Toronto, ON M5S 1A8.
